Subject: Requesting Advance for Mobile Purchase Purpose

Dear Sir,

I respectfully submit this request for a staff advance to purchase a mobile phone for official and work-related purposes.

As my current mobile device is not functioning properly and is affecting my ability to communicate efficiently for office work, I kindly request an advance amount of ₹ 25,000/- to enable me to purchase a new mobile phone. This will help me stay connected and perform my duties more effectively.

I assure you that the advance amount may be recovered from my salary in suitable monthly installments as per company policy.

I kindly request you to consider and approve my request.

Thanking you in anticipation.

Yours sincerely,

P. Ashok Kumar
